Family & Friends Update for 9.4.2020

Dear Family & Friends – Here is your Friday update!

Covid Updates:

I am so pleased to share that we continue to have zero diagnosed COVID-19 cases among members and staff.

As you know, COVID-19 has altered our reality on many levels. You have been patient and cooperative—embracing new safety-related policies and bearing witness to an overall shift in our everyday operations. Despite the changes faced, we continue to be proud to serve you and your loved one. We're grateful for you. As we continue navigating this pandemic, our commitment to everyone who lives and works at the Veterans Home remains our top priority.

Gazebo Gathering Openings for September 12th and 13th

We would like to offer a few more Gazebo Gatherings in September on the weekends to those families who cannot visit during the week. We currently have a few openings for the weekend of September 12th and 13th. The time slots available are 10am, 11am, 2pm, and 3pm both days. These appointments are available on a first-come, first served basis. We will continue to work on a few more weekend appointments later in September.

Each member will still receive one Gazebo Gathering per month. Towards the end of September, we will notify you when we have more openings to allow members to schedule a 2nd visit.

Your encouragement and ongoing support during this time remains embedded in our hearts for many years to come. Thank you for being a member of the Veterans Home family.

Have a wonderful and safe Holiday weekend!
